P3 Rents Out Roofs for Solar Panels

European logistics park developer and operator PointPark Properties (P3) has signed a deal allowing the SolOps company to rent space on the roofs of its warehouse buildings in the Czech Republic for solar panels.

The PointPark Prague D1 and PointPark Prague D8 distribution centers will provide a total of 335,000 sq m of roof space for the project.

SolOps, which rents roof space and manages photovoltaic cell systems, will invest around 600 million Czech crowns in the project. The system will become fully operational in the second quarter of this year.

Budimex to Build Air Terminal in Gdańsk

Budimex SA, in a consortium with Korporacja Budowlana Doraco Sp. z o.o., based in the coastal city of Gdańsk, is to build a second passenger terminal for Lech Wałęsa Airport in Gdańsk-Rębiechowo within two years. The contract was signed in February and its net value is zł.153.5 million. Work on the project will begin this month.

The terminal, with a total area of 39,400 sq m, will have one story underground and three stories above ground.
